

Sparrow Tech Private Limited selects kACE Pro for Digital Options Pricing & Risk Management

Dec 17, 2020 3:00 AM

LONDON, Dec. 17, 2020 /PRNewswire/ -- kACE, a division of Fenics Software Limited, an entity within the BGC Partners, Inc. (NASDAQ: BGCP) ("BGC Partners," "BGC" or the "Company") group of companies, announced today that Sparrow Tech Private Limited ("Sparrow"), a Singapore headquartered company that offers digital asset options solutions, has selected kACE Pro, the award winning provider of FX options solutions¹, as its technology partner for modelling and risk analysis. Sparrow will integrate kACE Pro's extensive options maths libraries within its proprietary derivatives trading platform via the kACE open infrastructure.

John Crisp, Global Head of Product and Strategy at kACE, said, "We are excited to be working with Sparrow, the first client to leverage our 30 years experience of delivering FX options solutions and applying it to the world of crypto currency options. This is a growing requirement from our existing customers and new clients such as Sparrow."

"We selected kACE due to their provenance and expertise in FX options. Applying kACE Pro to our solutions will enable us to deliver the best technology to our clients," said Kenneth Yeo, Chief Executive Officer at Sparrow Tech Private Limited. "This will be the first step towards making Sparrow the most trusted partner for digital asset options."

About Sparrow Tech Private Limited

Sparrow is the leading options trading platform, providing the simplest way to control risk and monetize your digital assets. Our revolutionary platform empowers institutions and individuals to trade options that are settled by smart contract.

Headquartered in Singapore, Sparrow offers customizable options settled by smart contract in an intuitive and easy-to-use trading interface.
